Director Smith,

On behalf of the Allegheny County Sportsmen's League, Beaver County Sportsmen's and Conservation League, Firearms Owners Against Crime-Institute, and Unified Sportsmen of Pennsylvania, we respectfully request that the topic of semi-auto center fire rifles for big game harvest be discussed and moved through the appropriate committee(s) so that it may ultimately be implemented in the 2025 - 2026 or 2026 - 2027 hunting seasons.

ACSL, BCSCCL, FOAC-Institute, and USP agree that it is time for the full intent of Act 168 of 2016 come to fruition.

We stand by at the ready, willing to assist and provide information and education to help facilitate this overdue change to hunting regulations.

Please do not hesitate to reach out to us for more information.

Yours Most Respectfully,

Klint Macro - President of the Allegheny County Sportsmen's League

Rich Kerlin - President of the Beaver County Sportsmen's and Conservation League

Jim Stoker - President of Firearms Owners Against Crime Institute for Legal, Legislative, and Educational Action

Blaine Toy - President of Unified Sportsmen of Pennsylvania
